“I use eSkill tests for both recruitment and internally to assess the skills of existing employees and it has proved to be a very useful tool for both.” USAirtours Holidays

“We can now feel confident that the skills we need are really there. They have great customer service that has helped us when we needed them.” Liberty Property Finance Ltd

“We have found eSkill to be an excellent selection tool that is easily adaptable to suit our needs and enormously helpful in assessing our candidates. Over the last two years we have used their platform on several occasions and always been very happy with the competitive pricing, quality and customer service. Highly recommended.” Elbrus Partners Limited
